

Connex Ecommerce Referral Program

Referral Partner Program: Earn \$250 for Every Successful Referral!

At Connex Ecommerce, we value partnerships and understand the importance of rewarding those who help us grow. Our Referral Program is designed to generously compensate our valued partners and affiliates for their support.

How It Works:

1. Refer a Customer:

Simply refer a potential customer to Connex Ecommerce, recommending either a Connex for QuickBooks or Connex Reporting and Analytics Annual Plan.

2. Customer Sign-Up & Getting Paid:

When the referred customer signs up for any of Connex Ecommerce's Silver, Gold, Platinum, or Enterprise annual plans and completes 60 days of service, you earn a \$250 referral bonus. Once the 60-day mark is reached and the customer service is confirmed, you'll receive your \$250 referral bonus promptly.
